**MAYOR'S COMMENTS**

Hello to the Gibsonville Community! As a community, we survived a very cold winter. I hope that you are ready for Spring just as I am. We know that Spring is a time that we try to make our homes and community look better. I encourage you to do what you can to beautify our community. You can do this by keeping your grass trimmed, by not throwing grass clippings in the street, and by throwing out things that you are never going to use that tends to have a negative impact on the community.

Spring is budget time. I have already heard from a few citizens about proposed expenditures for 2015-16. I invite you to come to the Town's monthly meetings starting April 13, 2015 at 7:00 pm at the Gibsonville Town Hall and let us hear your comments on the proposed budget for 2015-2016. I can assure you that you will be allowed to speak on the issue.

I am supporting a transit system for Gibsonville. I believe that the system will help our citizens and will help to improve our community. The Burlington-Gibsonville Transit will be on the agenda for the April 13, 2015 meeting. Please attend this meeting and let your voice be heard. The proposed fare for the bus will be one or two dollars.

There are several events scheduled for the downtown area in the Spring and Summer, starting in April, please plan to attend. Have a great Spring and Summer.

*Mayor Lenny Williams*
