Gibsonville Land Development Plan

2001-2021

Updated 2012

The Gibsonville Land Development Plan has been created with the cooperation of the citizens of Gibsonville and the surrounding area, the Board of Aldermen, the Planning Board, the Town Staff, and the Gibsonville Land Development Plan Steering Committee. This Plan shall serve as a guide for Gibsonville in making development decisions. The Plan recommends that the Board of Aldermen, Planning Board, Town Staff, and developers utilize this document to provide for the orderly growth of the Town. The Plan can be modified by the Board of Aldermen after formal adoption and it is recommended to do so as conditions within the planning jurisdiction evolve.
