Proclamation

“International Firefighters Day”

Firefighters dedicate their lives to the protection of life and property. Sometimes that dedication is in the form of countless hours volunteered over many years, in others it is many selfless years working in the industry. In all cases it risks the ultimate sacrifice of a firefighter's life.

International Firefighters' Day (IFFD) is a time where the world's community can recognize and honor the sacrifices that firefighters make to ensure that their communities and environment are as safe as possible. It is also a day in which current and past firefighters can be thanked for their contributions.

International Firefighters' Day is observed each year on 4th May. On this date you are invited to remember the past firefighters who have died while serving our community or dedicated their lives to protecting the safety of us all. At the same time, we can show our support and appreciation to the firefighters worldwide who continue to protect us so well throughout the year.

A special thanks to the current and past Gibsonville Fire Department members. Thank you for your selfless dedication to our community.

Whereas, the Mayor and Board of Aldermen of the Town of Gibsonville proclaim May 4, 2020 as **“International Firefighters Day”**.

This the 4th May, 2020.

Leonard M. Williams, Mayor
