The Town of Gibsonville Public Works Department is working hard to ensure the most efficient way of collecting yard waste and bulk items. For this reason, **materials placed at the curb for collection will need to be out by 7:00 am Monday morning.** Crews will make one pass through town each week.

In order to simplify what items are collected during the week, a calendar has been attached and pick-up has now been modified to:

Yard Waste: consisting of material from yard, garden or landscaping of bushes and trees (anything that grows naturally).

The collection for yard waste is indicated on the calendar in orange.

Bulk Items: means large pieces of furniture, bed springs, mattresses, appliances (including stoves), refrigerators, washing machines, dryers, etc and sometimes referred to as "white goods" and other discarded materials incidental to the routine of housekeeping (manufactured items).

The collection for bulk items is indicated on the calendar in blue.

Please contact the Gibsonville Public Works Department at 336-449-7188 for any questions or concerns.
